

All About Lois

Some folk are classified as deep.
Some folk are judged to be small.
Some folk go round just being themselves,
And “Small” won’ t apply at all.

“Small” and “Lois” just don’ t equate!
Somehow, they just won’ t fit.
When looking for a classy lass,
We know Lois Jean Hart is It”

Now, It is not personified;
But we want to make it clear,
That we hold Lois Jean in great esteem.
Her friendship is very dear.

Whatever it takes to get the job done;
By all means she’ s qualified.
She’ s been involved in lofty pursuits.
Successful in all that she’ s tried.

Well, hats off and gratitude to Jean;

And “kudo” for all that you do.
Our sincere thanks for many things,
But mainly for “Just Being You” !!
